EBS UK Ltd are a leading provider of landline solutions to the b2b sector and we're able to offer a complete telecommunication portfolio, including low cost calls, line rental, telephone systems, broadband and VoIP. We're a BT Wholesale partner and this enables us to provide an enhanced customer experience, both in terms of service levels and competitive call charges.

We're now looking to expand and broaden our reach within the UK and require new dealer partners to support us with this planned growth.
